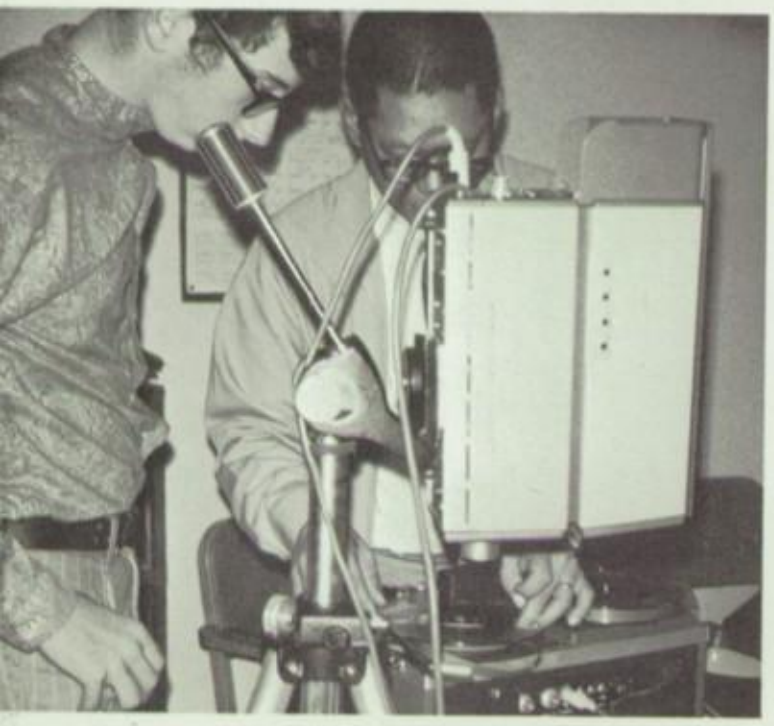
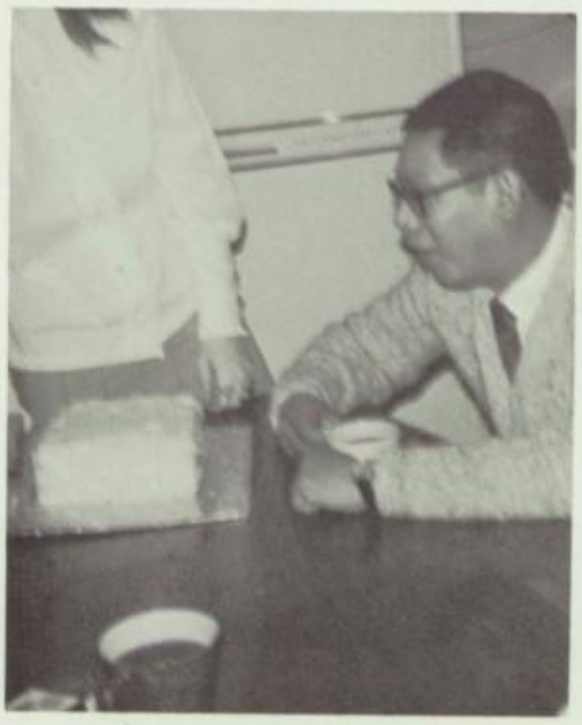
OUR PRINCIPAL





John E. Mook has been with the Harveyville Schools since August 1965. During these six years he has been teacher, leader, business man, thinker, technical advisor, sponsor, drama and golf coach.

A hearty laugh, a bellow in the halls, a red pick-up, a mail man, advise, fun, compassion; these are the many things that make Our Principal.

THE LAST H.H.S. GRADUATING CLASS

The Senior Class of 1971 contains fourteen very lively people. We have gone through Harveyville Grade and High School working and playing together. Although our school days are over, we will long remember our eventful years at H.H.S.

Herewith are random pictures of the great class of 1971--living proof of the theory that they always save the best until the last!

The annual staff, with their sponsor, Carol Matern, spent the first half of the school year selling ads, annuals, and contacting the alumni for the purpose of letting them know this is Harveyville's last year, and also seeing if they would like an annual as a memory.

Next, we went to work on dummy sheets and just generally getting things in order to bring out the best annual ever. We feel we have accomplished this and we are also proud of our annual sales record-475 copies of the annual-an all time record for Harveyville High School.

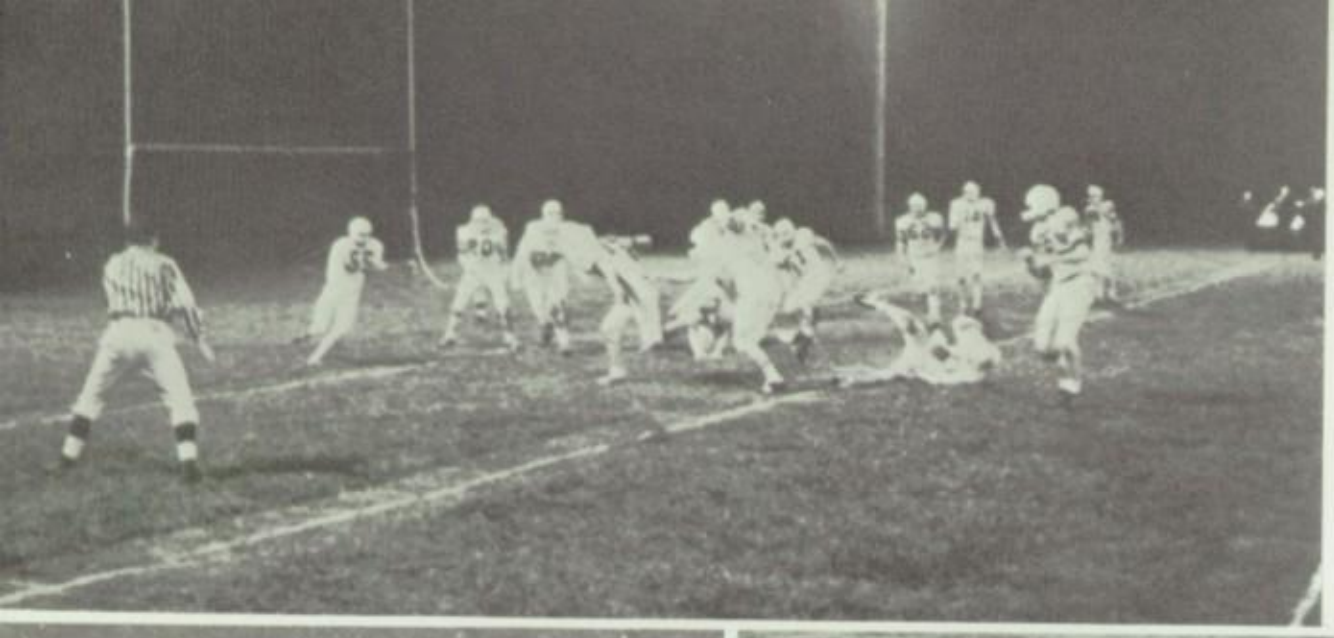
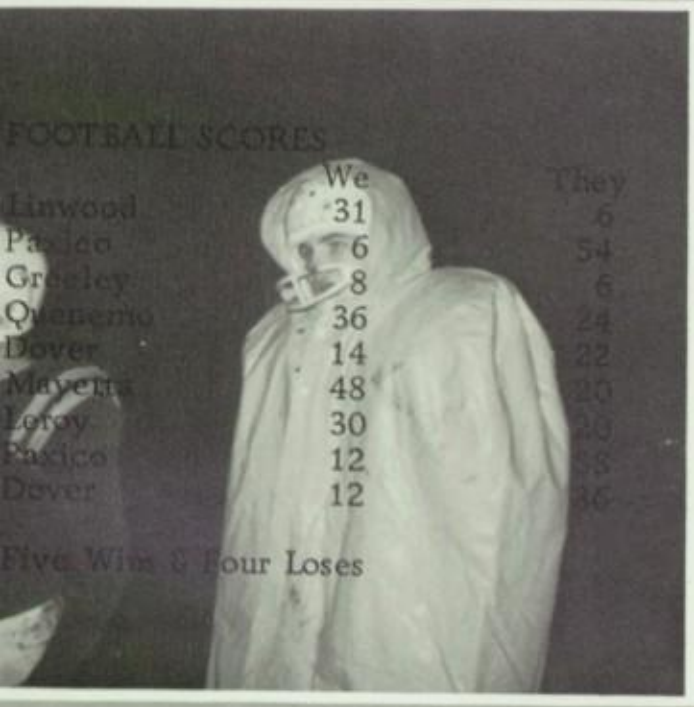
FOOTBALL
70-71





Despite its 5-4 record, the Yellowjacket football team had a successful year. Two of the losses were to powerful Paxico, the league champion and state title hopeful. The other two losses were to Dover which was a contender for the state playoffs in the eleventh hour.

Throughout the season the Yellowjackets stung their opponents well and never gave up when it seemed hopeless.

The core of the '70 editoin of the Yellowjackets will join forces with Eskridge and Dover in the new school to challenge new and stronger competition.

Many thanks to the coaches, fans, and everybody involved with the team.

Harveyville's 1970 Homecoming was held October 23 at the Harveyville vs. Dover game. The theme of the ceremony was, "Festival of Queens." To celebrate our last homecoming, we honored all former king and queens. All kings and queens were announced and queens were presented with corsages.

King and Queen were Doris Huske and Bruce Crumb. Attendants were Lynn Blakley, Judy Henderson, and Connie Hodgson. They were escorted by Dan Brammell, Steve Matern, and Mike Dunlap.

Though the night was rainy and wet and the game was lost to Dover, the Yellowjackets last homecoming will always be a memorable one.

1970-71

Posting a 11-7 record, the Yellowjacket basketball team barreled their way to a second place seat in the ECL tournament and shared first place honors with hot shooting Paxico for the league title.

The Class 1-A District tournament at Burlingame saw the second seeded 'Jackets lose to their old enemies, Northern Heights. Crossing sabres with the first seeded Quenemo, the Yellowjackets salvaged third place which softened the disappointment of losing the first game. All conference honors went to Mike Dunlap, Robert Weems, and Steve Montgomery.

The student body would like to thank Head Coach Don Reed and Assistant Coach Gary Dixon for their excellent coaching this year. They proved to be one of the finest coaching teams in Yellowjacket history. Their leadership kept alive the basketball tradition at Harveyville by instilling a good attitude in each player and helping each boy to strive toward his potential, they molded a team in the finest tradition of high school athletics.

Our Queen of Courts for 1971 on February 13, was another splendid success. Our candidates this year were: Shari Boley, Sr. and Robert Weems, Jr.; June Converse, Sr. and Mark Walker, Jr.; and Deb Blankenship, Soph. and Randy Brammell, Fresh. Our King and Queen of 1971 were Pat Reed and Steve Montgomery. Our Cupid Lea Anne Tucker delivered his secret to the announcer, Mr. Kerwin Schultze, and seemed to make the occasion one for all to remember. A dance followed and our King and Queen reigned over all the splendor.

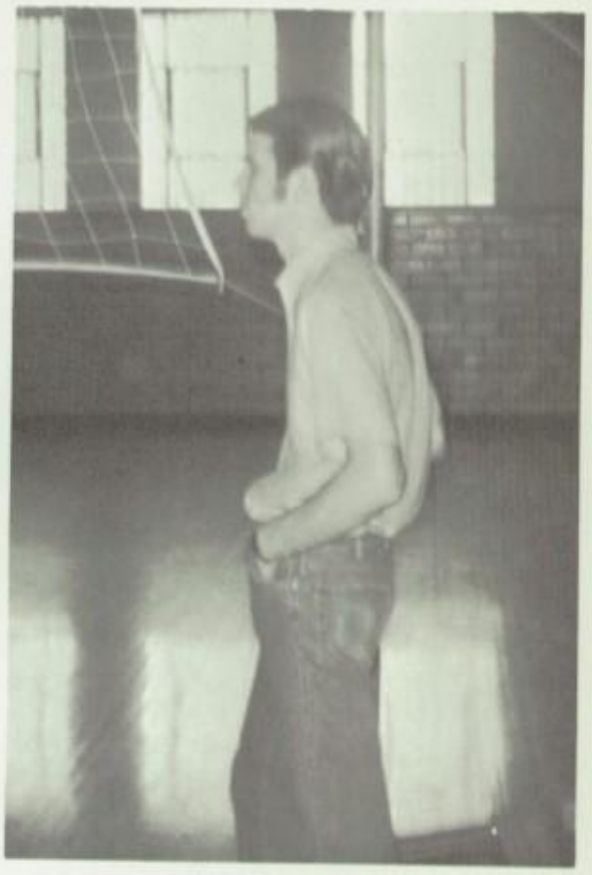
VOLLEYBALL, TRACK AND GOLF



This year, after hard days of work, the girls were unable to participate in the annual volleyball tournament, because of an outbreak of hepatitis in the community. They still became champions, though, when they received the Sportsmanship Trophy for withdrawing from the tournament.

Because baseball was the main spring sport, the track men and girls were only able to attend the league track meet. The boys and girls, who were coached by Don Reed, represented the school well.

A new sport was introduced this year. The sport was golf. Robert Weems was our only player, but the school was still proud of him.

Among the many goals of the Student Council this year was sponsoring the Homecoming dance, planning a Christmas party, and for the second consecutive year Queen of Courts was held. In the Spring the StuCo planned and presented the Activities Banquet, with Dr. Earl Reum as the guest speaker. The Awards Assembly followed the banquet.

The Council had but one money-making project this year which was selling items from Tom-Wat kits. Making more than $320, it was quite adequate in getting our year off to a good start.

At the beginning of the fall semester, our coordinator, Mrs. John Mook, acquired four office education girls who worked at training stations downtown. Pat Reed, Vice-President, was a bookkeeper at the Harveyville Grange Coop Business Association. Shari Boley, Secretary, was secretary for the president of the First National Bank. Doris Huske, President, was also employed at the First National Bank in the bookkeeping department as a clerk-typist. Ginny Jernigan, Treasurer, worked in association with the Neighborhood Youth Corp and was employed by the High School office as a clerk-typist.

In March the four girls competed in State Office Education contests in Wichita at the Spring Leadership Conference. It was here that Shari placed an outstanding first in the state in Production Typing I, enabling her to attend the National Office Education Convention in Indianapolis, Indiana, the first week of May. As a delegate, Doris was also able to attend the O. E. A. convention. This trip was not only a fun and exciting experience, but it was also where Shari placed seventh in the nation with her typing skills.

In April a new member joined our organization--Ramona Ables, formerly from Seaman High in Topeka. Ramona worked in the high school office and in the Business Education Dept. as Clerk-typist.

The Kayettes are a service organization. We have tried to do many things this year. Our Kayette Sponsor was Mrs. Summers, President Susan Deal, Vice President Marilyn Rudeen, Secretary Susan Phillips, Treasurer Judy Henderson.

Some of the things we have done: had teacher appreciation, given fruit baskets at holidays, sent Christmas gifts to Viet Nam, and made cakes for teachers' birthdays. On Valentines Day we gave Valentines to the teachers and we had Heart Sister Week. The officers attended the Regional Conference at Junction City on October 27. We hosted the District Conference on January 7, which five schools attended.

The highlight of the year was when we received our 3000 point award which is the highest the club can receive.

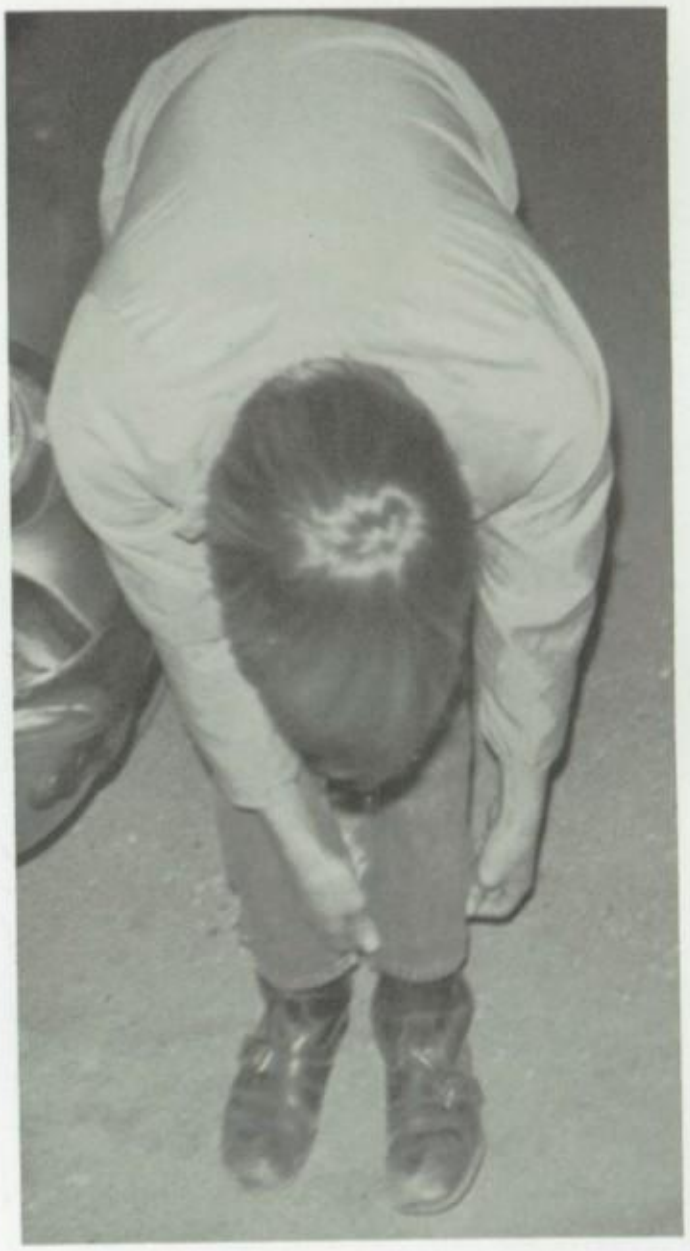
ACTIVITIES AND AWARDS COMBINED



— YOUTH CENTER

On December 31, 1970 a new and exciting niche opened up for the youth of Harveyville. The Youth Center offers ping-pong, darts and cards. Music for dancing is sometimes supplied by records and sometimes by "The Rebels" a local group of student musicians. The Youth Center is a project of the Junior Class and has gained much of its support from the various clubs and organizations of Harveyville. Young couples of Harveyville sponsor the Center when it is open. A student may attend the center throughout the year by purchasing a membership.

Combined grade and high school that burned in 1921

First high school at present site

HISTORY OF HARVEYVILLE HIGH

Harveyville school had its start in 1904. In 1908, the first graduating class consisted of Archie Hodgson, who was presented his diploma. From the class of one in 1908, the school grew to an enrollment of 59 for its final year 1970-71.

Harveyville High has seen four different school buildings during its history. The first building was a two-story wooden one located north of the present one on the Fred Benortham farm, formerly the Frank Hodgson farm. This building burned in 1921 and was replaced by a brick building on the same site which was to serve as the grade school. After the first high school burned, a three-story brick building was put into construction at the present site of the high school, which was just a high school building. This building later burned and in 1939-40 the present high school was put to use. In 1955, the grade school that is presently at the site of the high school was erected.

Depending upon what year you attended H. H. S., you have fond memories that center around the activities in one of these buildings. It is to these high school memories that we wish to dedicate this Alumni Section.
